SUMMARY

Motivated and passionate Frontend Web Developer with hands-on experience in crafting responsive and visually appealing user interfaces using HTML, CSS, Bootstrap, and Tailwind CSS. Dedicated to writing clean, modern, and maintainable code while continuously learning and improving. Currently enhancing my skills in JavaScript to build more dynamic and interactive web experiences. Eager to stay updated with the latest web technologies and design trends, with a strong desire to keep growing and contributing to innovative projects.

WORK EXPERIENCE - PROJECTS

Clarity - Multipurpose Business Website

Link: abdullah.basitbaloch.com/Portfolio/clarity/index.html

- Developed a fully responsive and visually appealing business website using HTML5, CSS3, and Bootstrap 5. Implemented AOS (Animation on scroll), Bootstrap Icons, and custom CSS transitions to enhance user interactivity. Designed modern sections including Hero, About, Services, Portfolio, Team, Testimonials, and Contact Form with a clean and professional layout.

Technologies Used:

- HTML5, CSS3, Bootstrap 5, AOS.js, Responsive Design, Animation Effects.

Diligent Technologies - Software Company Website

Link: abdullah.basitbaloch.com/Portfolio/Delight%20Web/index.html

- Developed a modern and responsive corporate website for a Texas-based software firm using HTML5, CSS3, and Bootstrap. Implemented interactive navigation, particle.js animation, custom cards, and dynamic pricing sections to enhance user engagement and visual appeal.

Technologies Used:

- HTML5, CSS3, Bootstrap, Font Awesome, Particle.js, Responsive Design.

FashionStore - E-Commerce Website

Link: abdullah.basitbaloch.com/Portfolio/fashionStore/index.html

- Developed a modern and responsive fashion e-commerce website using HTML5, CSS3, and Bootstrap 5. Implemented mega menus, product carousels, dropdowns, animations (AOS), Bootstrap Icons, and custom CSS effects for an interactive and seamless shopping experience.

Technologies Used:

- HTML5, CSS, Bootstrap 5.3, AOS.js, Bootstrap Icons, Responsive Design, Animation & Hover Effects.

Zonre Health - Insurance & Benefits Website

Link: abdullah.basitbaloch.com/Portfolio/zoner/index.html

- Developed the desktop version of a Health Insurance website using Bootstrap 5, HTML5, and CSS3. Implemented features such as a Bootstrap carousel, responsive grid system, cards, navbar, footer, and utility classes to design a clean, professional, and accessible UI with a smooth layout.

Technologies Used:

- HTML5, CSS3, Bootstrap, Responsive Design, UI/UX Enhancement, Carousel & Grid System.
